Travel with confidence.

Travel is full of unexpected adventures. In an emergency medical situation, however, you may not always know where to turn, or be prepared to deal with sudden additional expenses to get you well and get you home. Your provincial health care coverage is limited, even within Canada.

DID YOU KNOW?

- Accidents and medical emergencies can cost tens of thousands of dollars, and your provincial health plan may only cover a fraction of the cost.
- Not all insurance is alike. Some plans only offer limited benefits and may not cover everything you will need in a medical emergency.

The MROO Travel Insurance Program offers a wide range of travel insurance options at reasonable rates for you and your spouse.
